

2019 NATIONAL DRAW HOST HOTEL INFORMATION

National Draw is not STAY-TO-PLAY, however rooms at official Host Hotels must be booked through Halpern Travel, the Official Housing Coordinator. If a Club books rooms at any official Host Hotel outside of Halpern Travel tournament registration will be rescinded. Please do not contact Host Hotels directly.

We offer a complimentary priority concierge service to returning teams who booked 15+ rooms through Halpern Travel last year, allocating Club room blocks at Host Hotels through November 14, 2018. Thereafter, as of November 15, 2018 remaining hotel inventory will be available for group & individual open booking online through Halpern Travel's weblink. Teams must be registered to qualify for accommodations.

National Draw is scheduled in a manner whereby most regional teams will only need a one-night stay: Friday night for Middle School teams; Saturday night for High School teams. Only those teams flying in or driving more than 4 hours will qualify for 2 nights.
